

東南大學
SOUTHEAST UNIVERSITY

GIIS 2026

The 16th Global Information Infrastructure and Networking Symposium

**Hosted by
Southeast University, Nanjing, China**

April 22-24, 2026

Campuses

SEU has 7 campuses, covering an area of total 393 hectares.

Sipailou campus

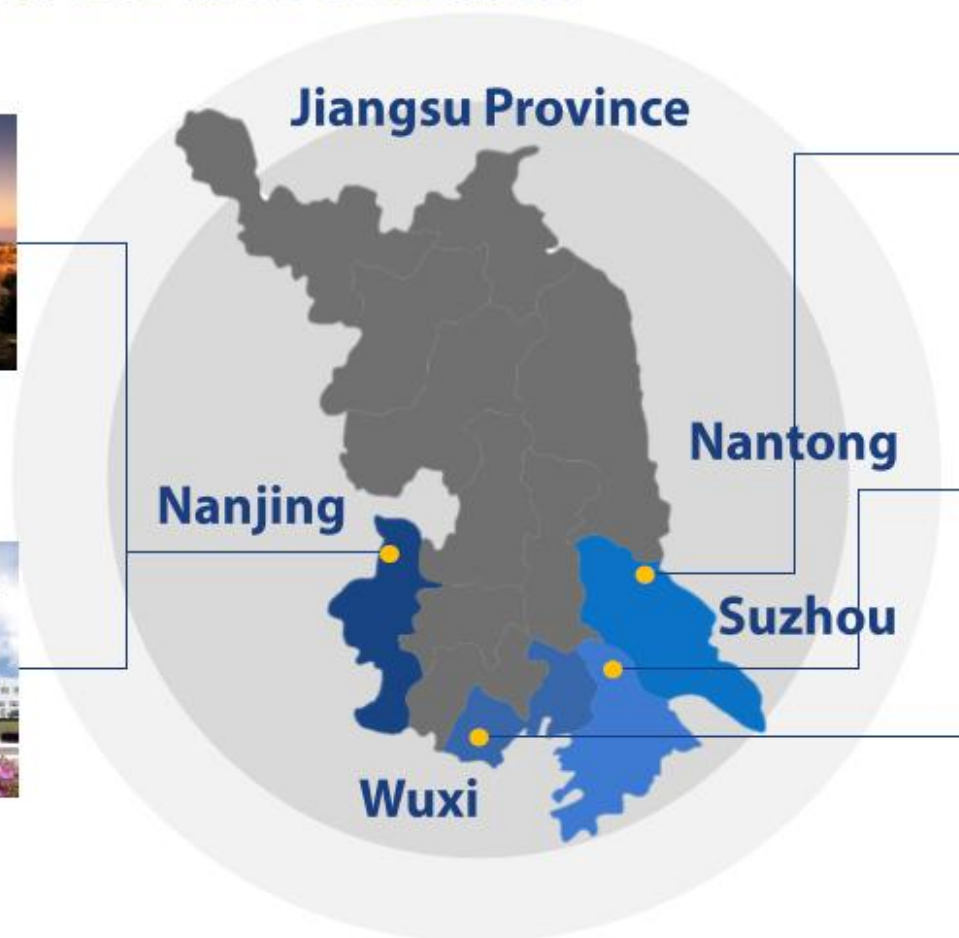

Jiulonghu campus

Dingjiaqiao campus

Jiangbei campus

Nantong campus

Suzhou campus

Wuxi campus

History

SOUTHEAST
UNIVERSITY

1902

Sanjiang
Normal College

1921

National Southeast
University

1928

National Central
University

1952

Nanjing Institute of
Technology

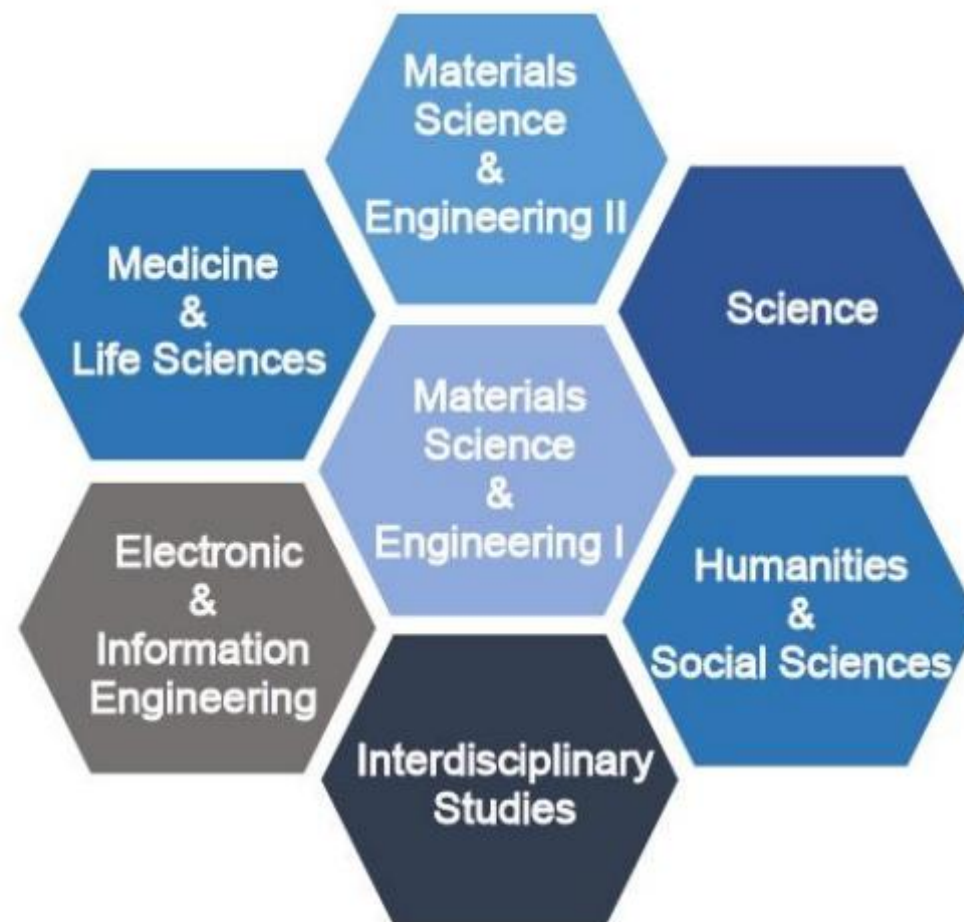

1988

Southeast
University

Facts

- **7** Faculties
- **38** Schools and Departments
- **17** Academicians of Chinese Academy of Science and Chinese Academy of Engineering
- **3,374** Full-time Academic Faculty members
- **41,756** Full-time Students
- **17,049** Undergraduate Students
- **24,707** Graduate Students
- **2,165** International Students

ESI Ranking

17 subjects rank among the top 1% of global ESI database

#4

Computer Science
(top 1‰)

#13

Engineering Science
(top 1‰)

Top 1‰

Materials Science and Chemistry

Computer Science	Social Science, General	Neuroscience and Behavioral Science
Engineering Science	Pharmacology and Toxicology	Geosciences
Materials Science	Environmental Ecology	Immunology
Chemistry	Biology and Biological Chemistry	Psychiatry/Psychology
Clinical Medicine	Physics	Agricultural Science
Mathematics	Molecular Biology and Genetics	

Global Engagement

countries
and regions

International Research Centers

SOUTHEAST
UNIVERSITY

01

Joint International Laboratory of Information Display and Visualization

Royal Dutch Philips Electronics, University of Rennes and University of Cambridge

03

Joint International Laboratory of Advanced Construction Materials (LACM)

UBC, TU Delft UC Berkeley, Ghent University, and Swiss Federal Laboratories for Materials Science and Technology (EMPA)

05

SEU-Allen Joint Center for Neuron Morphology

Allen Institute for Brain Science (USA)– a branch of the Allen Institute, a world leading nonprofit bioscience research institute

07

Australia-China Research Center for Sustainable Development

Monash University (Australia)

02

Joint Institute on Internet of Mobility between Southeast University and University of Wisconsin-Madison

University of Wisconsin-Madison (USA)

04

Joint Research Centre for Biomedical Engineering between University of Birmingham and Southeast University

University of Birmingham (UK)

06

Sino-French Center for Biomedical Information Research

University of Rennes (France) ; INSERM: world-renowned institution that is committed to scientific challenges and progress in biomedical

Organizing Committee

General Co-Chair

Ilhem Fajjari (Orange Innovation, France)
Renwei (Richard) Li (Southeast University, China)
Cedric Westphal (University of California, Santa Cruz, USA)

TPC Co-Chair

Nadjib Aitsaadi (UVSQ, Paris-Saclay University, France)
Wael Jaafar (ETS, University of Quebec, Canada)
Kai Yang (Tongji University, China)

Local Organizing Committee Co-Chair

Guanyu Yang (Southeast University, China)
Lin Han (Southeast University, China)

The image is a vertical split-screen composition. The left half shows a traditional Chinese pavilion with multiple tiers of dark, curved roofs and red lanterns, situated on a riverbank. The right half shows a modern city skyline at night, dominated by a tall, illuminated skyscraper. The text 'Welcome to Nanjing, China' is centered across the middle of the image in a white serif font.

Welcome to Nanjing, China
